

NAZRIN NOORZAN

WEB DEVELOPER

PROFILE

Spent most of my professional career building websites through WordPress and Shopify. These couple of years, I've also started to dive in ReactJS. High interest slightly towards front-end development.

I'm a self-taught developer. Having knowledge in HTML, CSS, JavaScript, ReactJS, NodeJS, PHP, Liquid, MySQL, SEO and AWS. I am a kind of guy that pretty independence and love challenges.

EDUCATION

Bachelor of Software Engineering
